Magnolia Speech School's Jubilee Celebration

Each year, we celebrate our school's anniversary with a Jubilee Celebration and Fundraising Campaign in September. During the month of September, our students learn about a particular theme, such as legacy or courage.

Our 2019 Jubilee theme is "KINDNESS." Students may learn about individuals like Mother Theresa, Mr. Rogers, or a book/story about kindness, such as the Good Samaritan or The Giving Tree. Outside the classroom, our students, teachers, and staff are challenged to raise \$6300 through sponsorships and honorariums to commemorate our 63 years of education.

Support from businesses and foundations help us reach the total goal of \$10,000.

Please consider a gift of \$750, \$500 or \$250.

Join us and celebrate kindness!
